Creating and Effectively Using a Teaching Webpage Using Web 2.0

Online Activities: 1/28 – 2/3

For review and reflection of what we did in class:

- Create your own ning and have colleagues at your school join it for testing.
- If one does not already exist, create a group within the ning for your interests, e.g., subject area, grade level, or school. You do not have to create a group, but you should join one.
- Add at least three bookmarks to our class diigo group and tag appropriately.
- Create your own diigo group and have others at your school join.
- Blog Post and Comments: –
 - Write a reflection on Social Bookmarking (diigo) and how you would consider using it in your teaching. Title it “Social Bookmarking”.
Or comment on Ning and how you might use it for professional development or with your students and title it “Ning Reaction”
 - Comment on at least one classmate’s post.

In preparation for 2/4: Blogs and RSS
